MGC SWEEPS GAMES

TEAM GAMES

1 low gross/ 1 low net

Circle 1 low gross and circle 1 Low Net. Enter total of the 2 below the hole.

1 low Gross/ 2 low net

Circle 1 low gross and circle 2 lowest net scores and enter the total of the 3 below the hole.

2 low net

Circle the 2 lowest net scores and enter the total of the 2 below the hole.

3 low net

Circle the 3 lowest net scores and enter the total below the hole.

3 low net odd/ 2 low net even

On odd numbered holes, circle the lowest 3 net scores and enter the total below that hole. On even numbered holes, circle the lowest 2 net scores and enter the total below that hole.

Cha Cha Cha 3-2-1

Use 3 lowest net scores on all par 3's, 2 lowest net scores on all par 4's, and 1 lowest net score on all par 5's. Circle the scores you are using and enter below each hole.

MGC SWEEPS GAMES

Cha Cha Cha 1-2-3 (Reversal of the Cha Cha Cha 3-2-1)

Use the 1 lowest net score on all the par 3's, 2 lowest net scores on all par 4's, and 3 lowest net score on all par 3's. Circle the scores you are using and enter below each hole.

Team Par Points (modified for LOPMGC)

A net par is 1 point, net birdie is 2 points, and a net eagle is 3 points. Add all the par points and enter below each hole.

Captain and Crew

This is a 2 low net game using the "Captain" and lowest net score from another player. The Captain is determined by the order of names on the card. The first player listed is the Captain on the 1st hole, and rotation follows. If you start on hole #4, then the 4th name on your card is the Captain, and his score must be used. The Captain cannot pick up and X-out.

Add the Captain's score with the lowest net from another player and enter below the hole.

2 Man Blind Draw

You can sign up as a twosome or as a single player, but not as a foursome. The tournament chair will pair you up with others to make a 4 man team. The game played will be 2 low net.

MGC SWEEPS GAMES

4 Man Scramble

Everyone drives. Players chose the best ball and play all balls from that spot. This format continues throughout the game. Each player must have at least 3 drives. Mark the team score on the card. Determine the average handicap and deduct from the gross score for the team net.

4 Man Step-Down Scramble

Everyone drives. Players chose the best ball and play 3 balls from that spot (the player whose ball is chosen does not hit). This continues to the green, and at that point everyone putts from the best ball. At the next hole, everyone drives again, choosing the best and having the 3 remaining players hit.

INDIVIDUAL GAMES

Individual Low Net

Each player records their gross score on each hole then subtracts their handicap from their total gross score to determine their total net score for the round. Winners will be paid on lowest net scores.

3 Club Monte

Choose your favorite 3 clubs plus your putter to play the entire 18 holes with. Enter your individual gross scores on the card then subtract your handicap to determine your individual net score. Winners are determined by lowest net scores. **DO NOT POST SCORES FOR THIS GAME**
