#### **Team Par Points (modified for LOPMGC)**

#### **Captain and Crew**

This is a 2 low net game using the "Captain" and lowest net score from another player. The Captain is determined by the order of names on the card. The first player listed is the Captain on the 1<sup>st</sup> hole, and rotation follows. If you start on hole #4, then the 4<sup>th</sup> name on your card is the Captain, and his score must be used. The Captain cannot pick up and X-out.

Add the Captain's score with the lowest net from another player and enter below the hole.

## **2 Man Blind Draw**

You can sign up as a twosome or as a single player, but not as a foursome. The tournament chair will pair you up with others to make a 4 man team. The game played will be 2 low net.

## **4 Man Scramble**

Everyone drives. Players chose the best ball and play all balls from that spot. This format continues throughout the game. Each player must have at least 3 drives. Mark the team score on the card. Determine the average handicap and deduct from the gross score for the team net.

TEAMS MAY CHOOSE TO PLAY FROM THE WHITE OR RED TEES, BUT ALL PLAYERS MUST PLAY FROM THE SAME COLOR TEES. IF A TEAM HAS LESS THAN 4 PLAYERS THEN THE PLAYERS CAN ROTATE FOR A FOURTH SHOT.

## **4 Man Step-Down Scramble**

Everyone drives. Players chose the best ball and play 3 balls from that spot (the player whose ball is chosen does not hit). This continues to the green, and at that point everyone putts from the best ball. At the next hole, everyone drives again, choosing the best and having the 3 remaining players hit.

TEAMS MAY CHOOSE TO PLAY FROM THE WHITE OR RED TEES, BUT ALL PLAYERS MUST PLAY FROM THE SAME COLOR TEES. IF A TEAM HAS LESS THAN 4 PLAYERS THEN THE PLAYERS CAN ROTATE FOR A FOURTH SHOT.

## **Stableford**

Points are awarded for your score on each hole on a handicap basis. 1 point for a bogey, 2 for a par, 3 for a birdie, 4 for an eagle and 5 if you bag an albatross (fat chance). Anything worse than a bogey, pick up and stop wasting everyone else's time.

## **Scotch Foursome**

Think of it as a two man scramble off the tee, then alternate shots into the hole. It works like this:

Golfers A and Golfers B are Scotch Foursome teams. On the first tee, both A and B hit drives. The two-person team plays the alternate shot format with one ball the rest of the way. The golfer whose drive was not chosen plays the second stroke. His partner plays the third stroke, and so on until they get the little white ball into the hole. Repeat for all 18 holes in this same manner.

Each team keeps their individual scorecards; one for each two man team.

Handicap allowance is 40 percent of the partners' combined course handicaps. Total up the team gross score and deduct the 40 percent to get the net score.

## **INDIVIDUAL GAMES**

### **Individual Low Net**

Each player records their gross score on each hole then subtracts their handicap from their total gross score to determine their total net score for the round. Winners will be paid on lowest net scores.

### **1 Man Scramble**

This has been an official NCGA event. The one man scramble format is simple, you get a mulligan on every shot, including putting, and are allowed to select the one of your choice. It is recommended that if you have a good shot, then don't hit an additional ball. This will speed up the game. It is simple easy to understand and fun.

### **3 Club Monte**

Choose your favorite 3 clubs plus your putter to play the entire 18 holes with. Enter your individual gross scores on the card then subtract your handicap to determine your individual net score. Winners are determined by lowest net scores. **DO NOT POST SCORES FOR THIS GAME**
