Handicapping and Rules

Duane Heaton, Chairman

How to score when playing one of the alternate holes?

For the game you are playing you use the score on the alternate hole.

For posting your score on the USGA website, you do not use your score on Alternate hole. You take par plus handicap strokes given to you on the hole not played.

For Example, you play alternate 17 and skip hole 10 as it was closed. On hole #10 you post par 5 plus handicap strokes given. In my case I receive one stroke so I post a 6.

If you receive two handicap strokes on hole #10, you would post a 7.
